18 Two Bedroom Homes

Akumal is the best and most unique resort area in the heart of Mexico's Riviera Maya.

A scenic view of the ocean from a garden. In the foreground, there are lush green plants with red flowers and a stone wall. Beyond the wall, the turquoise ocean is visible with several small boats and people swimming. Two tall palm trees frame the scene on either side under a clear blue sky.

Ocean Front

Las Casitas have the best location in all Akumal, facing West for sunsets every night. Plus, we have the only Tennis court in Akumal, the only Yoga studio, and a room for Massage therapy.

A large, curved swimming pool with clear turquoise water. The pool is surrounded by a dense wall of tropical trees and palm trees. A stone wall and a metal ladder are visible on the right side of the pool.

Great Amenities

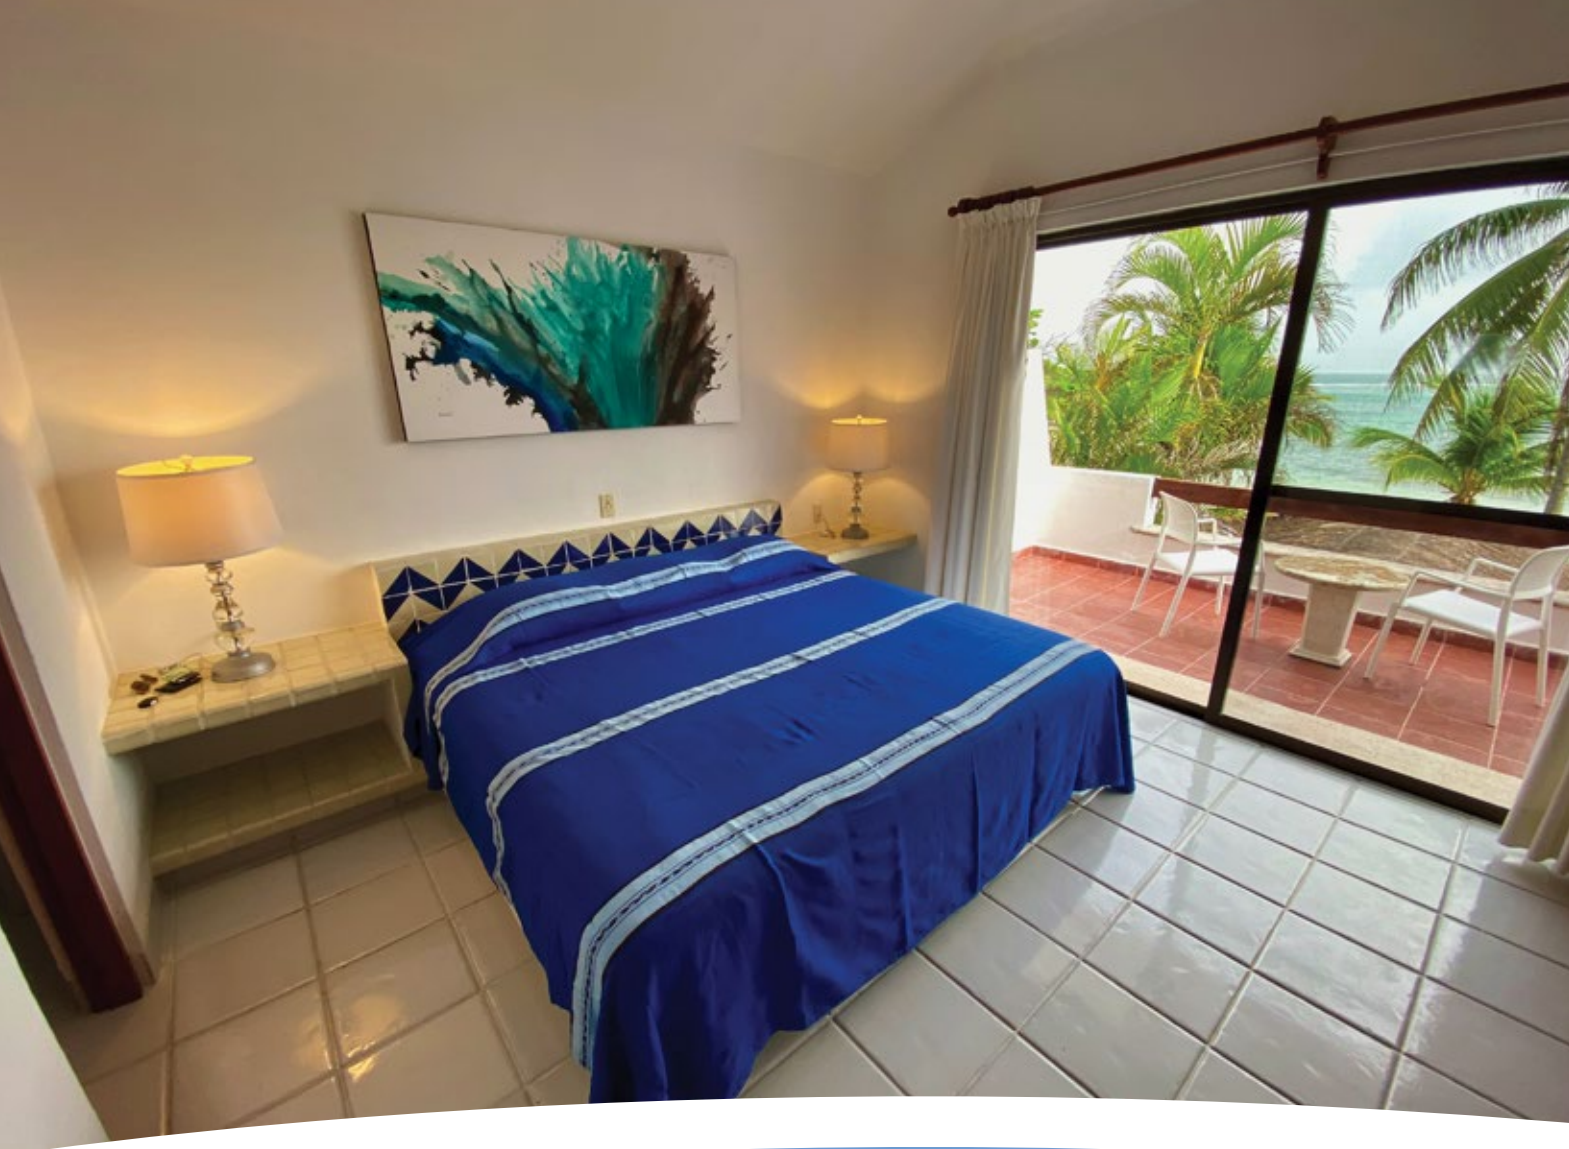

Our pool is considered one of the best, most beautiful in the entire Riviera Maya. With a shallow water section for children, water jets, waterfall, 25-meter length, lights, and areas for lounging, the pool has something wonderful for everyone.

14 Original Casitas

All of our original casitas are two bedroom/two bath and all are ground level. Each has a living room and fully furnished kitchen with dining area. While most will sleep a maximum of 5 (one bedroom has a king bed, second bedroom has a double bed and a twin bed) we also have a few that have a king in each bedroom.

***We have wheelchair friendly casitas available.*

4 two-Story *Casitas*

Our larger casitas are two story, featuring a living room, dining room, huge kitchen and a half bath on main floor. Upstairs, the master bedroom has a king bed and the second bedroom has two double beds, each with private bath, so these casitas will sleep up to 6 guests. The Master bedroom has a balcony with a spectacular view of beach, ocean and sunset.
